The MACC Mentorship Program is open to all nonprofit organizations and government entities that care for collections. Submit a project description to be completed during a one-year period with guidance from a MACC mentor. Selected project applicants will be notified within 3 weeks of the submission due date.

Some example projects include: developing a Long Range Conservation Plan; writing a preservation/conservation related grant; writing a Disaster Plan for your institution; or planning a new collections storage facility. Surveys, written reports or artifact conservation treatments are not eligible for this program.

For further project options or any other questions please contact MACC at 612-870-3120 or Info@preserveart.org
